Educational Activity:

COLLECTION: Newspaper article explaining how the Blue Bag recycling and large item pick-up program is available to customers. Article also notes what items are not recyclable and gives contact numbers. Active program to force homeowners to pay their garbage bills began in January. Scary letters are sent to all customers that owe over \$200. Customers are given the opportunity to take part in an amnesty program that forgives the interest they owe and allow them to start a payment program to catch up; they also agree to keep their monthly bill paid in full. Names, addresses and amounts owed are published in the paper. One case is taken to District Court for action. County starts program to attach overdue garbage bill to customers yearly tax bill. Amnesty Program is ended on December 31, 2004.

DISPOSAL: Newspaper articles seeking volunteers to take part in River Sweep program to remove items from stream and streamside. Newspaper ad informing public of large item pick-up, tire disposal, operating times of and contact number of recycling center and transfer station. Creation of a Transfer Station

RECYCLING/REDUCTION: Livingston county schools have a trash sculpture contest each year to help make students aware of creative uses for trash items. The UK Cooperative Extension Office also conducted a recycling program with students and homemakers in Livingston county. The Cooperative Extension Office prepared a recycling brochure explaining what items are accepted for recycling in Livingston County which included a copy of times and locations of the recycle trailer. These brochures are available to the public, free of charge.
ANTI-LITTERING: Several organizations participate in the Adopt-a-road program. State highways are cleaned as well as smaller county roads. Livingston county jail inmates are also used to pick up litter along roadways. The litter abatement grant provides funding for extra student workers during the summer months to help control litter. The Livingston County Litter Abatement Program recently adopted 45.3 miles of State Highways under the adopt-a-road program.
ANTI-DUMPING: In an effort to control illegal dumping by residents Livingston County sponsors two county wide cleanups. The spring cleanup was held March 25, 26, & 27. The fall cleanup was held October 14, 15, and 16. During these cleanup dates dumpsters were placed in communities throughout the county for residents to dispose of trash, free of charge. Residents are also allowed to dispose of trash at the convenience center free of charge during these dates. Livingston County residents may call the judge executive office to arrange for large items (washers, dryers, stoves, refrigerators, water heaters, furniture items, etc.) to be picked up by the Livingston County Road Department Employees during the Spring and Fall Cleanup dates.
ENFORCEMENT When trash is found on the roadways, if an address can be found among the items, the individual is notified to clean up the litter. The Judge Executive, Sheriff and county attorney work together on enforcing this matter.
SITING: At present, Livingston County does not have formal procedures for siting solid waste management facilities. For the immediate future, the County will rely upon state guidelines, regulations and criteria for siting any needed solid waste facilities.
